FOREWORD

The use of the down (v) and up (^) strokes, as indicated in the Mandolin parts of each selection, should be followed throughout, wherever notes having these values occur. The Tremolo should only be used on dotted quarter notes (or tied notes equaling these) and those of longer duration in Fox Trots and Waltzes, and on quarter notes (or tied eighths) and those of greater value in One Steps. Careful attention to the fingering as marked for both hands in the Banjo part is essential.

The metrical or initial accent in Fox Trots (♩ = 152 - 160) and One Steps (♩ = 126 - 138) is slightly stronger than the second, but both must be somewhat exaggerated. Without strict adherence to these rules it is impossible to get the swing and snap so necessary to the proper rendition of popular dance music.
